### First Kids Christmas Caroling

Ending 2025 on a sweet note!

### New Year, Same Faithful God

When the calendar turns to a new year, it always cues for me a sense of possibility. Calendars are blank, routines reset, and I feel, as many of you do, a mix of hope about what lies ahead.

As followers of Jesus, we do not step into a new year alone - or unanchored. We begin this year with the assurance that God is already there. The One who carried us through last year - through joys and challenges, celebrations and disappointments - walks with us into this one as well.

Following Jesus is not about perfect resolutions, but it's about daily faithfulness: choosing prayer over panic, generosity over fear, service over comfort, and hope over despair. A new year gives us space to ask honest questions: How is God calling me to grow? Where can I serve? Who needs the love of Christ through me?

As a church family, a new year is a time to renew the commitment we share together. The reality is this - the world continues to hunger for meaning, grace, and truth. God has placed us here - not by accident - but with purpose. When we worship together, serve together, give together, and pray together, we bear witness to the living hope found in Jesus Christ.

This year, this New Year, together, let us set forward with trust---trusting that God calls, equips, and uses ordinary people to do extraordinary things.

May this be a year marked not by fear of the future, but by confidence in Christ. Not by weariness, but by renewal. And not by hesitation, but by faithful steps of obedience.

For us as a church family, the path ahead may be unknown, but the One who leads us is sure.

Let us follow Jesus - together - into all that God has prepared.

Peace - Pastor James

**Begins on Tuesday, February 3  
with two opportunities to attend  
at 10am and 5:30pm**

GriefShare is a vital part of how our church walks with people through loss. For the past couple of years, this ministry has continued because staff stepped in temporarily when our longtime facilitator retired.

This upcoming session will be the **final GriefShare cycle unless new lay facilitators emerge**. GriefShare is designed to be a congregation-led ministry, and this cycle will intentionally serve as both care for those grieving and discernment for those who may be called to help lead it in the future.

If you have a heart for walking alongside others in grief, please speak with Allen.

**What if you could change lives across the world.....  
without ever packing a suitcase?**

If your heart is drawn to missions but your schedule or season of life makes travel difficult, this is your invitation. Join Jen Feliciano on a **Virtual Mission Trip to Indonesia** from February 17–March 5 and experience how God is moving on the other side of the globe - all from the comfort of your home.

During this time, Jen will actually be traveling to Indonesia, returning to a place where she and her family served for seven years. You'll be getting a front-row seat to real people, real ministries, and real needs - shared directly from the ground by someone who knows and loves this community deeply.

Each day, you'll be welcomed into the culture, stories, and real-life ministries God is using to bring hope. Through daily cultural insights, prayer points, and hands-on opportunities to give, you'll discover how your participation can make a tangible difference. Together, we'll invest in children at a local orphanage and support college students who are living far from home as they pursue education and a better future.

**Here's how you can be part of the impact:**

**Arda**  
is beginning  
her studies  
in Public  
Administration

**Fund a Future**

Help two young women pursue higher education and break cycles of poverty.

*Goal: \$4,500 to completely fund their 4 yr degrees*

**Gea**  
is in her 2nd  
year of a  
Bachelor's  
degree in  
Accounting.

**Unlock a Smile**

Provide a dental hygiene experience for a child from a local orphanage—helping them stay healthy and smiling all year long.

*Can we support these children together?  
Goal: \$25 per child*

**Feed the Flock**

College students often travel far from home to study and struggle to afford basic necessities. A \$20 essentials bag can feed and support one student for an entire month.

*Can we support 20 students together?  
Group Goal: \$400*

*Our youth are making real sacrifices to take part in this mission - and we invite you to join them in that spirit.*  
Consider how small, intentional choices can lead to big change. Some examples are....

- Eat at home instead of dining out and donate what you save.
- Sell items you no longer need and give the proceeds.
- Invite friends to join you and collect funds together.

**Register** to receive access to daily updates, prayer guides, and opportunities to be part of God's work in Indonesia. Register at:

[marionfumc.org](http://marionfumc.org)

OR register on the Virtual Mission Trip registration sheets outside the sanctuary and in the Welcome Center.

**You don't have to go far to go deep.**

*Come along -  
and let God use YOU  
to change lives.*

## FIRST YOUTH CHRISTMAS PROJECT

This year, 13 youth and 4 adults shopped for 30 children and youth ages 4-15. Together, we made three shopping trips to Walmart, placed a Nike order, and wrapped things up with a final Amazon "shebang." Our youth were intentional and prayerful, focusing on blessing each child with thoughtful, meaningful gifts. We prayed before shopping and trusted God to guide our resources - and He did.

During Jingle & Mingle, five families gathered to wrap gifts, share stories, and enjoy time together. It was a joyful evening of connection, laughter, and learning more about the children we were serving. Several families shared how meaningful it was to experience church community through this project.

Every life we touch through programs like this - serving with the hands of Jesus - is precious, and we are grateful to be part of the work God is doing through our church.

Jen Feliciano - First Youth Director

**THANK  
YOU!**

*to everyone who prayed  
for and gave their financial  
support to this project.*

## Christian Youth Who **CHANGED** **THEIR** **WORLD**

Being a follower of Jesus can feel isolating and is challenging. We will be highlighting young historic figures in our Christian faith who acted with courage and stood for Jesus through their lives. Let's get inspired together!

Just Jen, First Youth Director

### **Lady Jane Grey 1537-1554**

Lady Jane Grey became queen of England at just 16 years old. Though her reign lasted only 9 days, she boldly stood for her Protestant faith. Sadly she was executed at 17. Her courage inspired generations to stand firm in their beliefs.

She famously stated:

"Deny the world,  
defy the devil,  
despise the flesh,  
and delight yourself only in the Lord"

Scripture says: Revelation 2:10

Be faithful, even to the point of death, and I will give you life as your victor's crown."

### *Reflection Questions:*

Would you be willing to stand for your faith even if it cost you everything?

What "small" ways can we show courage for Christ today?

**Wednesdays at 3:30pm**  
Ms Ginger and the First Kids volunteers are excited to welcome the kids to After School Fun. Each Wednesday, kids, grades K-5, are invited to come to First UMC to have a lot of fun learning about Jesus, playing games, watching videos, playing outside and so much more. Snacks are provided.

**Parent Pick-Up at 5:15pm at the church office doors**

Parents:  
please send a note to your student's teacher giving permission for your student to ride one of these buses.

## FUMC D Pantry

As we look back at 2025, Tommy and I are humbled by the congregation's generosity and the involvement of our local Walmart, Food Lion, and Ingles stores.

Even though Ingles and Food Lion are not our official pickup partners, Ingles has provided us with empty milk boxes for distribution packing and has shared donated canned goods during their December food drive. Food Lion has assisted us with bulk food orders that have saved us the expense and time of having to go to the Feeding SWVA Warehouse in Abingdon. With our official pickup partner, Walmart, the local store has provided us with 10,652 lbs. of fresh produce, 2,414 lbs. of bakery items, 1,044 lbs. of assorted dry goods items, and numerous random items such as clothing and candy.

With the purchase of food and donated items, we have been able to provide 1,526 boxes that have served 3,593 individuals during 2025. Many thanks for your continued support of FUMC Food Pantry! Co-Directors: Tommy Cullop & Ernie Catron
